ABOUT THE COURSE

Transform your understanding of ESG through this 1 day course on **Fundamentals of ESG for Your Business**. Explore the global business significance of ESG, master the ESG framework, and set impactful targets. Engage with real-world case studies, embrace leadership commitment, and assess your business readiness through an ESG assessment. Empower yourself to navigate the evolving ESG landscape and drive positive change.

LERNING OUTCOME

- Gain a comprehensive understanding of ESG, including its global business significance, sustainability principles, and reporting requirements.
- Master the practical application of the ESG framework, materiality assessment, and target setting, enabling you to effectively integrate ESG practices into your organization.
- Analyze and draw insights from real-world case studies, deepening your understanding of how ESG principles are applied in different contexts.
- Recognize the critical role of leadership commitment and stakeholder engagement in driving successful ESG implementation within your organization.
- Conduct an ESG readiness assessment to identify gaps in your current practices and develop a roadmap for enhancing your organization's ESG capabilities.

TRAINER

Dr Nurmazilah Dato' Mahzan is a Certified ESG Analyst, Softech360 Advisor and a member of the IFRS Foundation Integrated Reporting and Connectivity Council (IRCC). She was a former member of Integrated Reporting Framework Board as well as the former Chief Executive Officer of the Malaysian Institute of Accountants (MIA). In MIA she led and implemented the transformation of risk management system, governance enhancement technology adoption and branding.

She also spearheaded strategic, operational, and financial plan to ensure effectiveness and efficiency. In addition, she was also involved in auditing and accounting regulatory function including financial statement review, audit quality and professional ethics. She has engaged with stakeholders of different sectors locally and globally including ministries, government agencies, companies, media, universities, business leaders and individuals. She also delivered keynote addresses and speeches locally and globally. Her recent work revolves around Integrated Reporting, ESG and the future of Corporate Reporting.

Dr Nurmazilah is a Certified HRDF Trainer, Certified Public Accountant, a Certified Internal Auditor and holds the Certified Risk Management and Assurance qualification. She also holds a PhD in accounting from the University of Birmingham, United Kingdom. She recently completed a course on climate change and Net Zero from the University of Cambridge. Dr Nurmazilah is a member of MIA, MICPA, CIMA, IIA Malaysia as well as an ASEAN CPA.

Among the training conducted by her this year was on ESG Awareness, Building ESG Framework, Incorporating ESG into organisation's Financial Reporting Framework and 2 days' Workshop on Advance Corporate Reporting with Integrated Thinking. She also spoke on various forums such as the ESG Conference organised by MIA, National Conference on Internal Auditing and Responsible Value Creation through governance by SIDC.
